THE PROFESSIONAL'S CHOICE
N-SERIES STEEL SHELVING

ENTRY LEVEL | PROFESSIONAL'S CHOICE | THE UPGRADE

Constructed from premium-grade steel, each shelf tray is built with 10 tons of pressurized clamping force, ensuring minimal flex and maximum stability.

Crafted with marine-grade plywood to minimize noise and vibrations for a safe, quiet ride.

VERSATILE SIZE OPTIONS
Available in 6 different lengths from 36" to 96" to ensure the perfect fit for your van

FULL ADJUSTABILITY
Infinitely adjustable dividers and height adjustable shelf doors ensure the perfect configuration

WEIGHT SAVINGS
A 24% weight savings over the B-Series shelving option

THE UPGRADE
N-SERIES ALUMINUM SHELVING

This shelving line boasts the same load capacity as our steel shelves with approximately a 15% reduction in weight.

Blending lightweight aluminum end-panels with durable marine-grade plywood shelf trays ensures a robust yet agile solution.

15% LIGHTER THAN STEEL
Significantly reduces vehicle weight for improved efficiency

CUSTOM FIT
Available in 6 lengths from 36" to 96", adaptable for both ICE and EV applications

OPTIMIZED PAYLOAD
Lightweight design maximizes payload without compromising strength
